Black & Blühe (Out of the Blue Book 2) RJ Jones

Grayson Black has never forgiven himself for not saving his identical twin brother, Jet, from a savage beating at their father's hands ten years ago. Jet's near-death never would have happened if Gray hadn't been so focused on his boyfriend at the time. He has sworn to take care of his brother ever since. Gray can't afford a distraction from his self-imposed mission, the type of distraction presented by the gorgeous blond showing up at their gigs.

Kris Larson is a firefighter with the San Francisco Fire Department. Since splitting from his girlfriend, his favorite way to spend nights off is watching the Black Brothers play in the bars of the Bay Area, especially the guitarist. But it's not until the brothers are left homeless after a fire at their apartment building that Kris has the opportunity to know the real person behind the brooding façade.

Gray fights his attraction to Kris, but with a meddlesome twin who just wants him to be happy, it's a losing battle. Before Gray and Kris can have a lasting relationship, though, Gray must learn to forgive himself, let go of the past, and lay more than one demon to rest.
