It's lust at first sight when **Brody Singer** first lays eyes on **Abby Dunn**. The dark-haired beauty looks a lot like a woman he once knew, who died years ago. At first, Brody fears his attraction is a holdover from that secret crush, but Abby's definitely different. She's a lot shyer, a lot sexier, and despite her attempts to dissuade his interest, absolutely mesmerizing.

Abby isn't having any of it. She's still trying to put her last disastrous relationship behind her and overcome the flaws her ex wouldn't let her forget. But somehow Brody isn't getting the hint. It doesn't help that when writing her steamy novels, she keeps casting Brody at the hero.

Brody is more than happy to serve as her muse and eager to help make sure her "research" is authentic. But when their research turns into something real...**will she choose her own happily ever after?**
