No Truth No Justice: A Mother's Successful Struggle against Authorities to Secure Justice for her Son Murdered in their Care Audrey Edwards

A heartfelt account by the mother of a young man who was killed in his cell by a dangerous fellow prisoner with whom he had been wrongly placed by the Prison Service - that was later castigated by the European Court of Human Rights. It tells of a mammoth campaign for justice and to hold the authorities to account when faced with a wall of silence and indifference. (The author, who now addresses audiences across the UK, is keen to spread her message to the USA and available to travel there for that purpose, at her own expense).
