The Power of Awareness Neville Goddard

With the words, "Do not try to change people; they are only messengers telling you who you are. Revalue yourself and they will confirm the change," Goddard invites us to resist the temptation toward judgment and to look at ourselves for the change we want to see in the world and in others. "God's promise is unconditional; God's law is conditional, and comes in its own good time. If you do not experience it in this life," he said, "You pass through a door, that's all that death is, and you are restored to life instantly in a world like this, and you go on there with the same problems you had here with no loss of identity."
