In 2115, the Earth is attacked by an unknown alien force far outside of the Milky Way Galaxy, and a quarter of the world's population is wiped out in the blink of an eye. 24-year-old orphaned pilot, Captain Lori Stallings witnessed the carnage of the devastating attack first hand, and she wants revenge for the billions of deaths.

She along with two other pilots are selected to make the long 30 year journey to the planet which attacked earth, each of them flying a separate ships called the Goliaths. With only lifeless battle androids for company, she knows the journey will be a lonely one.

At least until she receives an email from the legendary Captain Conrad Roland, one of the other pilots. Communication between ships is strictly forbidden, but she responds, and with this single email, the captains begin a romance that will span billions of miles, and create a universe together that will defy all odds.

Warning : this ebook contains mature themes and language intended for 18+ readers only. Happy ending. Standalone novels. No cliffhanger.
