Atlantis - The Lost City Serena Stone

Booklet summary of Atlantis.

Today many spiritual philosophies are based upon Atlantis and the Atlantean legend. Vibration, crystal healing, and channeling stem from many of the stories about Atlantis, and it is almost as if Atlantis remains in testimony to their claims.

There are different theories about Atlantis, far too many to include in a small summary book. Cyprus for example, has been claimed to be part of the remaining land of Atlantis.

To many, Atlantis is known as the lost city under the sea, still to exist somewhere deep beneath the oceans. Some even claim that it never existed above land, and has always been another realm under the sea, which still exists to this day.

Whatever the truth about Atlantis, the story of Atlantis has brought us a deep spiritual message. Firstly, the theories of crystals, vibration, and channeling have been found to hold some certain truth.
