During a secret NASA mission to locate their brothers on the faraway planet of Paradise, the Hero sisters become separated after they crash land...and find unexpected romance with the tormented alien male warriors of the species in this ultra-long scifi book that completes the Pleasure Bound series.

Taylor and Kayla

While searching for her brothers, Kayla Hero is bound and imprisoned by the Breeders— along with a male captive whose tantalizing scars pique her interest. Forced to escape with him, she's irresistibly aroused when she suddenly becomes his captive.

Wild lust flares in Kayla's eyes— a sensual side effect of the Fever Swamp water she's accidentally ingested. Taylor knows he will enjoy administering the cure — lots of sizzling hot lovemaking!

Blackie and Kinley

Injured and lost in a dense jungle, Kinley Hero is intimidated by the scarred man who hunts her, especially due to the power of erotic submission he holds over her.

Capturing his beautiful female prey, Blackie can't wait to train her as a pleasure slave for the Death Valley Boys. When her captor slips a collar around her neck, Kinley must struggle with lust as a natural submissive.

Please note: This is Book Six in the Pleasure Bound series. Although this scifi erotic romance can be read alone, it is best to read in series order. See below:
