Criminal Law Katheryn Russell-Brown, Angela J. Davis
An Interdisciplinary Approach

Criminal Law provides students with an integrated framework for understanding the U.S. criminal justice system with a diverse and inclusive interdisciplinary approach and thematic focus. Authors Katheryn Russell-Brown and Angela J. Davis go beyond the law and decisions in court cases to consider and integrate issues of race, gender, and socio-economic status with their discussion of criminal law. Material from the social sciences is incorporated to highlight the intersection between criminal law and key social issues. Case excerpts and detailed case summaries, used to highlight important principles of criminal law, are featured throughout the text. The coverage is conceptual and practical, showing students how the criminal law applies in the “real world”—not just within the pages of a textbook.
