Mitchell loves the theater. In his dreams he's the one taking the spotlight. But so far he's played against character by following in his father's footsteps as an investment banker. When he's masquerading as Dr. Who or Sherlock Holmes to help his brother, he feels he can escape his shy, dorky persona. But nothing's prepared him to play boyfriend to a gorgeous girl like Samantha Wolf.

Samantha

isn't quite sure what to think of Free. He's cute, sweet, and quirky, but his outlandish costumes make him seem crazy. However, it turns out Sam has a soft spot for theater nerds. And the more time they spend together, the more their steamy romance begins to take center stage. Only problem is, there doesn't seem to be a script. And it's anyone's guess how this one will end.
