International Governance and Regimes: A Chinese Perspective (Routledge Contemporary China Series) Peter Kien Hong Yu

This book examines China's involvement in international governance, international regimes, and globalization. Peter Kien-hong Yu offers a new framework with which to understand 'international regimes' and applies it to important Chinese case studies such as arms control, disarmament, and non-proliferation; the counter-piracy regime and the environmental issue.

Whilst internationally important matters related to such systems are identified, Yu's discussions attempt to find out whether any particular system works better in relation to China, and asks if not, why not? After examining eight different cases, the author concludes that these regimes are working but there is ample room for improvement and that the Chinese (Communists) for one have to enhance their understanding of international governance and try to export their experience to other parts of the world.

International Governance and Regimes will be appeal to anyone interested in International Politics, Chinese Studies, Political theory and International Relations.

From reader reviews:

Jessica Peacock:

The reason? Because this International Governance and Regimes: A Chinese Perspective (Routledge Contemporary China Series) is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will distress you with the secret the idea inside. Reading this book alongside it was fantastic author who write the book in such wonderful way makes the content inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you for not hesitating having this nowadays or you going to regret it. This book will give you a lot of rewards than the other book possess such as help improving your skill and your critical thinking approach. So , still want to hold off having that book? If I were being you I will go to the reserve store hurriedly.

Jennie Groth:

Your reading sixth sense will not betray an individual, why because this International Governance and Regimes: A Chinese Perspective (Routledge Contemporary China Series) book written by well-known writer who knows well how to make book which can be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and producing skill only for eliminate your current hunger then you still doubt International Governance and Regimes: A Chinese Perspective (Routledge Contemporary China Series) as good book but not only by the cover but also by the content. This is one reserve that can break don't ascertain book by its cover, so do you still needing an additional sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.

Diana Gum:
