This stirring book explores Jesus's heart and compassion for every woman -- giving them undeniable value and significance.

Based on Jesus's encounters with women during the time of his ministry, this tender book uncovers how time and again Jesus went against the traditional conventions of his era by treating women with respect and love, showing the world what a vital role they play. Jesus lived in an era where women were considered property and of little value as significant individuals. But by following Jesus's example, readers will see how women should be cherished and uplifted.

Each chapter touches on Jesus's interactions with a specific woman, their conversations, and the gifts he bestows upon her. One tells of the widow who was burying her son, only to have Jesus resurrect him. Another is of the woman who was crippled for eighteen years and how Jesus not only freed her from her physical malady, but freed her spirit as well.

But more than a mere retelling of these encounters, this book is a love story -- a romance between the Creator of the universe come to earth and the women he came to know. Through these women, we see his love and compassion for every woman, and we watch as he lifts us all out of our ordinariness into the sublime intentions he planned for us since the beginning of time.
