On This Day in History Graeme Donald

A journey through all 365 days of the year, examining some of the most significant events in history that occurred on that day

The abandoned *Mary Celeste* is mysteriously found drifting in the mid-Atlantic; Mozart is buried in an unmarked communal grave; and U.S. Prohibition is brought to an end. Although separated by centuries, these events all share the same anniversary: December 5th. *On This Day in History* looks back at all 365 days of the year and provides short, riveting entries on the most significant events in history that occurred on that day. One single day could see Alexander the Great cozying up to Winston Churchill and Fidel Castro, or Cleopatra could find herself sharing a page with Abraham Lincoln and Mahatma Gandhi. This book traverses continents and timelines to give its own unique perspective on these historical events. A wide variety of familiar and lesser-known events are represented, providing fascinating facts that are guaranteed both to educate and entertain any history enthusiast.
