## **The Slogan (A Vintage Short)** Laurel Thatcher Ulrich

A selection from the admired history *Well-Behaved Women Seldom Make History*, the story of how one of feminism's most popular slogans came to life.

In the opening paragraph of an obscure 1976 scholarly article investigating the prim and proper women celebrated in Puritan funeral sermons, Harvard professor Laurel Thatcher Ulrich penned the phrase, "Well-behaved women seldom make history." Since then, Ulrich's slogan has been put on bumper stickers, T-shirts, and tote bags, in greeting cards and political speeches, entering the cultural consciousness in all sorts of unexpected ways. In "The Slogan," Ulrich gives a brief history of her much-quoted words, and sketches out a primer on feminism today and the way it continues to make history.

An eBook short.
