He wants her and will stop at nothing to claim her...

I went to the casino for a wild weekend with a couple of friends. The hottest guy that I have seen in a long time, pays me some attention.

I had to flirt.

I had to keep his attention.

He lent me some chips, provided I gave them back by the end of the night.

It was kind of stupid, he could have been part of the mob and killed me or something. The wicked smile he had on his face when he asked if I would be willing to do anything if I couldn't pay him back. Told me that he had something else on his mind.

I was right and I'm standing in his suite waiting for him to claim me, I just hope it is going to be good.
