Clemente: The Passion and Grace of Baseball's Last Hero

David Maraniss

Clemente: The Passion and Grace of Baseball's Last Hero David Maraniss

On New Year's Eve 1972, following eighteen magnificent seasons in the major leagues, Roberto Clemente died a hero's death, killed in a plane crash as he attempted to deliver food and medical supplies to Nicaragua after a devastating earthquake. David Maraniss now brings the great baseball player brilliantly back to life in *Clemente: The Passion and Grace of Baseball's Last Hero*, a book destined to become a modern classic. Much like his acclaimed biography of Vince Lombardi, *When Pride Still Mattered*, Maraniss uses his narrative sweep and meticulous detail to capture the myth and a real man.

Anyone who saw Clemente, as he played with a beautiful fury, will never forget him. He was a work of art in a game too often defined by statistics. During his career with the Pittsburgh Pirates, he won four batting titles and led his team to championships in 1960 and 1971, getting a hit in all fourteen World Series games in which he played. His career ended with three-thousand hits, the magical three-thousandth coming in his final at-bat, and he and the immortal Lou Gehrig are the only players to have the five-year waiting period waived so they could be enshrined in the Hall of Fame immediately after their deaths.

There is delightful baseball here, including thrilling accounts of the two World Series victories of Clemente's underdog Pittsburgh Pirates, but this is far more than just another baseball book. Roberto Clemente was that rare athlete who rose above sports to become a symbol of larger themes. Born near the canebrakes of rural Carolina, Puerto Rico, on August 18, 1934, at a time when there were no blacks or Puerto Ricans playing organized ball in the United States, Clemente went on to become the greatest Latino player in the major leagues. He was, in a sense, the Jackie Robinson of the Spanish-speaking world, a ballplayer of determination, grace, and dignity who paved the way and set the highest standard for waves of Latino players who followed in later generations and who now dominate the game.

The Clemente that Maraniss evokes was an idiosyncratic character who, unlike so many modern athletes, insisted that his responsibilities extended beyond the playing field. In his final years, his motto was that if you have a chance to help others and fail to do so, you are wasting your time on this earth. Here, in the final chapters, after capturing Clemente's life and times, Maraniss retraces his final days, from the earthquake to the accident, using newly uncovered documents to reveal the corruption and negligence that led the unwitting hero on a mission of mercy toward his untimely death as an uninspected, overloaded plane plunged into the sea.

The Clemente: The Passion and Grace of Baseball's Last Hero provide you with a new experience in looking at a book.

Joan Stump:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Clemente: The Passion and Grace of Baseball's Last Hero can make you

experience more interested to read.
