**Rabbit Hole:**

**New Winning Fantasy Novel! 2013 San Francisco Book Festival Awards, Runner Up, Science Fiction Division, and 2012 London Book Festival Awards (Runner Up: Science Fiction/Fantasy Division)**

In the wake of tragedy and loss, Caspian Hythe has returned to his family's ancestral home in England.

But home is not as it should be.

No longer a place of safety or of peace, home is now a place of horror and fear. For an ancient mystery has re-awakened - bloodthirsty and unimaginable - something is killing in the town of Guildford.

And the trail of blood is just the beginning.

From the creator of the award-winning SciFi Fantasy novels TAU4 and HAMMERSPACE, comes a new Fantasy and Dark Sorcery series. Now a young man will pit himself against an ageless evil as he travels a deadly path toward the ultimate mystery of all.

Love ..... Hate. Life ..... Death.

What lies between them is a Rabbit Hole.

### From reader reviews:

#### **Willie Blackburn:**

This Rabbit Hole book is just not ordinary book, you have after that it the world is in your hands. The benefit you get by reading this book is information inside this reserve incredible fresh, you will get info which is getting deeper you actually read a lot of information you will get. This kind of Rabbit Hole without we realize teach the one who looking at it become critical in thinking and analyzing. Don't be worry Rabbit Hole can bring when you are and not make your handbag space or bookshelves' become full because you can have it inside your lovely laptop even cell phone. This Rabbit Hole having excellent arrangement in word as well as layout, so you will not experience uninterested in reading.

#### **Sherrill Height:**

Reading a publication can be one of a lot of activity that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new data. When you read a book you will get new information mainly because book is one of a number of ways to share the information as well as their idea. Second, studying a book will make anyone more imaginative. When you examining a book especially fictional book the author will bring one to imagine the story how the personas do it anything. Third, it is possible to share your knowledge to other individuals. When you read this Rabbit Hole, you are able to tells your family, friends in addition to soon about yours publication. Your knowledge can inspire different ones, make them reading a reserve.

#### **Jonathan Leake:**

This Rabbit Hole is fresh way for you who has fascination to look for some information because it relief your hunger associated with. Getting deeper you on it getting knowledge more you know or else you who still having small amount of digest in reading this Rabbit Hole can be the light food to suit your needs because the information inside this book is easy to get through anyone. These books create itself in the form which is reachable by anyone, that's why I mean in the e-book form. People who think that in reserve form make them feel sleepy even dizzy this reserve is the answer. So there is no in reading a guide especially this one. You can find what you are looking for. It should be here for you. So , don't miss the idea! Just read this e-book style for your better life and also knowledge.

#### **Janice Smith:**

Reading a e-book make you to get more knowledge from it. You can take knowledge and information from your book. Book is created or printed or descriptive from each source which filled update of news. On this modern era like at this point, many ways to get information are available for anyone. From media social such as newspaper, magazines, science book, encyclopedia, reference book, book and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to open your book? Or just seeking the Rabbit Hole when you necessary it?
