Tale of the Waning Moon, Vol. 2

Tale of the Waning Moon, Vol. 2

Enchanted by the Spirit of the Last Quarter Moon to follow in his footsteps, the beleaguered young Ryuka discovers en route that all kinds of men (with varying degrees of morality) are attracted to his body like bees to honey. But despite Ryuka's initial resentment of and rage at his fate, his feelings for the moon spirit Ixto are softening into something like...possibly...love? That said, finer feelings won't make his trials and tribulations on this lengthy journey any easier! Standing between Ryuka and Ixto is the door to the moon, a stolid, unmoving thing said to open only if certain conditions are met. However, completing this quest will put the chastity of both Ryuka and his traveling companions on the line! At this rate, will Ryuka even make it to the moon in one piece?
