The Winter Men Brett Lewis

In the modern, post-collapse Soviet Union, criminal gangs rule under the aegis of a crumbled government, and old soldiers roam the streets...as do old superheroes. One such man is Kris Kalenov, a former member of the Russian elite military force 'Red 11', now a Moscow policeman. Caught up in a kidnapping case, Kalenov encounters the dark heart of the New Russia at every turn, bringing him into conflict and allegiance with friends and enemies alike as he searches for both a missing girl, and the secret of the Soviet super-project codenamed 'Winter'. Author Brett Lewis and artist John Paul Leon ("Static") present a tour-de-force graphic novel soaked in vodka, blood and sweat. Warning: This title is for adults only!
