**Why Youth is Not Wasted on the Young: Immaturity in Human Development** David F. Bjorklund

*Why Youth is Not Wasted on the Young* examines the nature of childhood through an evolutionary lens and argues that childhood is an essential stage of development with its own unique purposes, separate from those of adulthood; a time of growth and discovery that should not be rushed.

- Written by a renowned developmental psychologist
- Examines the role that our period of immaturity plays on the social, emotional, and educational needs of today's children
- Challenges common perceptions of children as simply “adults in training”
