50 Strategies for Teaching English Language Learners; Second Custom Edition Adrienne L. Herrell
The third edition of *Fifty Strategies for Teaching English Language Learners* includes a rich assortment of practical features to support teachers as they meet some of the more daunting challenges of the 21st century classroom. All of the strategies in this book are aligned to the TESOL standards and have been field-tested in diverse classrooms. Each strategy includes a brief explanation, step-by-step instructions in how to plan and use the strategy and two classroom scenarios demonstrating how the strategy can be adapted for different grade levels and content areas. A new unique DVD included in the back of the text illustrates select strategies being used in a classroom dominated by English learners. After the demonstration lesson, one of the authors interviews the teacher for insights into how the lesson was planned and the teacher's reasons for choosing the strategy. The strategies include planning approaches, strategies for improving student involvement, vocabulary knowledge, and comprehension.
