Intellectual Property: Valuation, Exploitation, and Infringement Damages Russell L. Parr, Gordon V. Smith

This book is designed to simplify the process of attaching a dollar amount to intangible assets, be it for licensing, mergers and acquisitions, loan collateral, or investment purposes. It provides practical tools for evaluating the investment aspects of licensing and joint venture decisions, and discusses the legal, tax, and accounting practices and procedures related to such arrangements; examines the business economics of strategies involving intellectual property licensing and joint ventures; and provides analytical models that can be used to determine reasonable royalty rates for licensing and for determining fair equity splits in joint venture arrangements.
