**On a Clear Day I Can See Armageddon: The Collision of Israel, Islam, and Oil** Charles L. Campbell  
On a Clear Day I Can See Armageddon chronicles the historical events that have led to America's Middle Eastern Achilles' heel. The book provides a blueprint for necessary military and political actions by the United States to retain access to oil and mitigate future attacks against its interests. It also describes proven technical solutions developed in other nations that can reduce America's oil requirements and the conflict with Islam while maintaining a vibrant economy.
