Ruskin Unto This Last A Paraphrase M. K. Gandhi

Ruskin Unto this Last People in the West generally hold that the whole duty of man is to promote the happiness of the majority of mankind, and happiness is supposed to mean only physical happiness and economic prosperity. If the laws of morality are broken in the conquest of this happiness, it does not matter very much. Again, as the object sought to be attained is the happiness of the majority, Westerners do not think there is any harm if this is secured by sacrificing a minority. The consequences of this line of thinking are writ large on the face of Europe. This exclusive search for physical and economic well-being prosecuted in disregard of morality is contrary to divine law, as some wise men in the West have shown. One of these was John Ruskin who contends in Unto This Last that men can be happy only if they obey the moral law.
