Strangler Corey Mitchell

A musical prodigy who never realized his potential, Shore found a way to outsmart society - by getting away with murder. And he wanted the whole world to know it. After brutally killing a 16-year-old girl, he called the local NBC affiliate and told an editor precisely where to find the body. Eight years passed before DNA evidence caught up with Shore. Subsequent police investigations revealed a violent megalomaniac who had sexually abused his own daughters. He quickly confessed to murdering three females, one only nine years old. And he hinted at many, many more - leading authorities to believe that Anthony Allen Shore could even be the notorious "I-45 Serial Killer," whose bloody legacy had earned for one Texas highway the grisly moniker "Corridor of Blood."
