A classic masterwork of spiritual tension and realization from Paulo Coelho, this powerful story of one man's battle with self-doubt and fear is now available in a beautiful new package from HarperOne. An essential volume alongside Coelho's other bestselling and influential books, such as *The Alchemist*, *The Pilgrimage*, *Brida*, and *The Winner Stands Alone*, the searing and unforgettable narrative in *The Valkyries* asks the questions most central to all literature—and all of humanity's quest for understanding. Why is it that we destroy the things we love most? And how can we learn to let go of the past and believe in the future?
