## **Expiacion (Spanish Edition)** Ian McEwan

En la casa de campo de la familia Tallis, la madre se ha encerrado en su habitacion con migraña, y el señor Tallis esta en Londres. Briony, la hija menor, de trece años, ha escrito una obra de teatro para su hermano Leon, que hoy vuelve de la universidad. Cecilia, la mayor de los Tallis, también ha regresado de Cambridge, donde no ha obtenido las altas notas que esperaba. Quien si lo ha hecho es Robbie, el brillante hijo de la criada de los Tallis. Es el día más caluroso del verano de 1935, y las vidas de los habitantes de la mansión parecen deslizarse con apacible elegancia. Pero resuenan unas sutiles notas disonantes: hay una curiosa tensión entre Cecilia y Robbie; la hermana de la señora Tallis ha enviado a su hija Lola, una ninfa quinceañera y seductora, a casa de sus tíos; y la imaginativa Briony ve a Cecilia que sale empapada de una fuente, vestida solamente con su ropa interior, mientras Robbie la mira. / It is the hottest day of the summer, 1935, and in the Tallis family home everything appears to be peaceful. However, a more attentive ear might notice subtle discordant tones, a rising tension. It explodes when Cecilia, the oldest Tallis daughter, emerges from a fountain soaked to her skin wearing only her underclothes, while Robbie, the much loved and brilliant son of the familys maid, watches her. A prodigious book full of surprises, it is both a romantic story of impossible love and a brutal tale of war. It is Ian McEwens masterpiece.
