**Maggie's Turn** Deanna Lynn Sletten

Maggie has always put her family's needs in front of her own, until one day—without forethought—she drives away, leaving behind her indifferent husband and two sulking teenagers.

As she begins a quest of self-exploration, she meets new people, enjoys new adventures, and rediscovers long-neglected passions. For the first time in years, Maggie contemplates what she wants from life and soon realizes that her deteriorating marriage can no longer continue as it is. Can she and Andrew repair their broken relationship, or is their marriage over?

Left to his own devices, Andrew is forced to take over the household responsibilities and bridge the growing divide between himself and his children. Slowly, he begins to understand what drove Maggie away—and how he can't bear to live without her. But is it too late? Will Andrew lose Maggie forever?
