How far would you go for a friend? In *Nuts to You*, the funny and moving new novel by Newbery Medalist Lynne Rae Perkins, two squirrels go very far indeed to save a friend who has been snatched up by a hawk. *Nuts to You* is short, funny, and surprising—an *Incredible Journey* with squirrels. It features black-and-white art by the author on every page and will appeal to fans of animal fantasies by Kate DiCamillo, Kathi Appelt, and Avi.

The squirrels Jed, TsTs, and Chai are the very best of friends. So when Jed is snatched up by a hawk and carried away to another realm, TsTs and Chai resolve to go after him. New communities are discovered, new friends are made, huge danger is encountered (both man-made and of the fox and bobcat variety) and mysteries are revealed. *Nuts to You* is wholly original, funny, lively, and thought-provoking. It is a deeply satisfying piece of storytelling about the power of stories to save the world; about the power of friendship and the importance of community.

This beautiful book is illustrated in black-and-white on every page by the author and includes an introduction, epilogue, and funny footnotes throughout. A terrific read aloud!
