THE CLEANER (Book 1)

Meet John Milton. He considers himself an artisan. A craftsman. His trade is murder.

Milton is the man the government sends after you when everything else has failed. Ruthless. Brilliant. Anonymous. Lethal. You wouldn't pick him out of a crowd but you wouldn't want to be on his list.

But now, after ten years, he's had enough - there's blood on his hands and he wants out. Trouble is, this job is not one you can just walk away from. He goes on the run, seeking atonement for his sins by helping the people he meets along the way. But his past cannot be easily forgotten and before long it is Milton who is hunted, and not the hunter.

SAINT DEATH (Book 2)

John Milton has been off the grid for six months. He surfaces in Ciudad Juárez, Mexico, and immediately finds himself drawn into a vicious battle with the narco-gangs that control the borderlands.

He saves the life of an idealistic young journalist who has been targeted for execution. The only way to keep her safe is to smuggle her into Texas. Working with the only untouchable cops in the city, and a bounty hunter whose motives are unclear, Milton must keep her safe until the crossing can be made.

But when the man looking for her is the legendary assassin Santa Muerta - Saint Death - that's a lot easier said than done.

THE DRIVER (Book 3)

John Milton has started to hope that he might have a future. He has a job driving a taxi around the streets of San Francisco. He has his anonymity and his solitude. Being invisible has become a comfortable habit. He doesn't want to be found.

But when a girl he drives to a party goes missing, Milton is worried. Especially when two dead bodies are discovered and the police start treating him as their prime suspect. Milton is a fugitive from the British Secret Service and a man in his position needs extra attention like he needs a hole in the head.

As unpleasant secrets leak out, and the body count rises, one thing is for sure: Milton might just be the right guy in the wrong place at the wrong time.

1000 Yards (Bonus Novella)

Milton is sent into North Korea. With nothing but a sniper rifle, bad intentions and a very particular target, will Milton be able to take on the secret police of the most dangerous failed state on the planet?
