A Different Jesus?: The Christ of the Latter-day Saints Robert L. Millet

Foreword and afterword by Richard J. Mouw

Are Latter-day Saints Christian, or do they worship a different Jesus? In this engaging book based on the foundational Mormon documents, Robert Millet clearly explains why Latter-day Saints claim to be Christians and compares their understanding of Jesus with the views of traditional Christian believers.

A leading Mormon scholar who has spent much of his career in conversation with traditional Christians and their writings, Millet discusses what constitutes Christianity and examines how the Latter-day Saints fit or do not fit within that rubric. Intended to inform rather than to convince or persuade, *A Different Jesus?* clears away misconceptions and doctrinal distortions that characterize more polemical works about Mormonism. Millet points out the many beliefs that Latter-day Saints hold in common with traditional Christians, yet he also emphasizes differences where they exist.

A Different Jesus? initiates and will foster a significant dialogue between Latter-day Saints and traditional Christians. Of special value are a lengthy chapter that answers some of the most frequently asked questions about Mormonism, a glossary showing how key theological terms are defined by Latter-day Saints, and evangelical scholar Richard Mouw's foreword and afterword, which help set an agenda for future discussions between these rich religious traditions.
