## Atlas of the World (Atlas of the World, 7th ed)

When Oxford's *Atlas of the World* debuted, it was widely praised for the incredible beauty and accuracy of its maps and for its wealth of geographical information. Now in a new Seventh Edition, it remains the finest top-of-the-line atlas available, with hundreds of stunning full-color, large-format maps produced by Europe's finest cartographers. In addition, the *Atlas* boasts 66 maps of major metropolitan areas worldwide, an extensive index, and a colorful 48-page Introduction to World Geography, providing a wealth of information on such topics as climate, the greenhouse effect, plate tectonics, agriculture, population and migration, global conflicts, and much more.

The Seventh Edition has been thoroughly updated. The revisions include the new administrative areas in Poland and Nigeria; new maps of Kosovo and of the No-Fly Zone in Iraq (added to the "Regions in the News" section); and sharper, digital lettering that is easier to read. Finally, roads and rail lines have been reconfigured on some thirty maps, including all areas of North America, South America, and Australia. Providing the finest global coverage available, *Atlas of the World* is the benchmark by which all other international atlases will be measured.

### **From reader reviews:**

#### **Marcus Musick:**

Do you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Try and pick one book that you never know the inside because don't judge book by its handle may doesn't work the following is difficult job because you are afraid that the inside maybe not while fantastic as in the outside search likes. Maybe you answer could be Atlas of the World (Atlas of the World, 7th ed) why because the fantastic cover that make you consider in regards to the content will not disappoint an individual. The inside or content will be fantastic as the outside or maybe cover. Your reading sixth sense will directly make suggestions to pick up this book.

#### **Cindy Martin:**

This Atlas of the World (Atlas of the World, 7th ed) is great reserve for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. This kind of book reveal it details accurately using great coordinate word or we can say no rambling sentences in it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but hard core information with attractive delivering sentences. Having Atlas of the World (Atlas of the World, 7th ed) in your hand like keeping the world in your arm, info in it is not ridiculous a single. We can say that no reserve that offer you world throughout ten or fifteen second right but this reserve already do that. So , this is good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?

#### **Denita Lumley:**

Many people spending their period by playing outside using friends, fun activity having family or just watching TV all day every day.
