## **Contending Voices: Biographical Explorations of the American Past, Volume II: Since 1865 (Second Edition)** John Hollitz

Each chapter in *Contending Voices* examines the lives of two individuals, some of them familiar historical figures and some of them lesser known, who took opposing positions on important issues in American history. The "paired biographies" in the text are followed by a set of four to six related primary sources, many in the individuals' own voices; a "Questions to Consider" section; and an annotated bibliography. This unique format promotes critical thinking and engages students in historical debates.
