Neale Donald Walsch

Suppose you could ask God the most puzzling questions about existence, and God would provide clear, understandable answers? It happened to Neale Donald Walsch. Conversations with God is Walsch's account of his direct conversations with God, beginning in 1992 while he was immersed in a period of deep depression. He composed a letter to God in which he vented his frustrations, and much to his surprise, even shock, God answered him. Focusing on the universal truths that influence all life, Conversations with God offers an insight into the way life could be better and challenges us to push past the imagined boundaries of what we believe ourselves capable, looking instead to all that we can attain as co-creators with God. Conversations with God Book 1, Volume 2 includes the complete second chapter of Book 1, "Life's Greatest Questions: Creating Your Desires, Facing Life's Challenges, Making Relationships Work."
