CENSORED FOR CENTURIES BY THE CHURCH WITH THE BACKING OF WORLD LEADERS! Is There A Golden Paradise Inside Our Earth? Who Pilots The Ships We Call UFOs? Are They Here To Harm Or Help Us? Are the Residents Of This Subterranean World Angels or Devils? Quietly -- without public fanfare -- scientists search for the entrance to the inner earth. Such a discovery could possibly improve all our lives. . . as well as provide an endless source for fossil fuel. It could be that mankind may not be alone on this planet. Scripture actually speaks of a paradise inside the earth inhabited by giant plants, mythological creatures and even highly advanced human-like beings. Further, UFOs do exist, but only some of them come from outer space. And the ones that do come here from other planets may not be entirely friendly. We may have to learn to protect ourselves from their ungodly influences and desires. The author, William L. Blessing is a full gospel minister who wants to share vital information with you! Based on Scripture, Rev. Blessing is convinced that there are "three heavens that belong to the earth. The Apostle Paul tells us that he was 'caught up to the third heaven' and while in that heaven he 'heard unspeakable words which is not lawful for a man to utter.'" Blessing states that this area of "darkness" is inhabited by a very evil people. Beyond the darkness is the moon and then the asteroid or planetoid ring of inhabited places -- inhabited by the outer space people. Beyond this first heaven is a vaporous ring in which they are great quantities of ice." According to Blessing, "The Bible teaches us that there are people dwelling in the inside of the earth. For want to a better name I shall call them Inner Earth People. I would estimate the population of the inner earth to be ten billion, or about five times more than those of us who live on the surface. "There are 200,000,000 pilots in the flying saucer corps in the inner earth. The name of their commander in chief is Apollyon, whose name in the Hebrew tongue is Abaddon, but in the Greek tongue hath is his name Apollyon." Blessing states: "They will soon, very soon, invade the surface of the earth. In fact, I believe that the invasion has already begun by an advance reconnaissance force that is flying out and over the surface, mapping the land areas and strategic places where they will strike in their all-out invasion!"
