Speaking Christian: Why Christian Words Have Lost Their Meaning and Power And How They Can Be Restored Marcus J. Borg

In *Speaking Christian*, acclaimed Bible scholar Marcus Borg, author of *Meeting Jesus Again for the First Time*, argues that the very language Christians use has become dangerously distilled, distorted, and disconnected from the beliefs which once underpinned it.

Stating a case that will resonate with readers of N. T. Wright's *Simply Christian*, Borg calls for a radical change to the language we use to invoke our beliefs—the only remedy that will allow the Church's words to once again ring with truth, power, and hope.
