Natural High (LP + CDR COMBO) The Commodores

This listing is for the LP Record and a cdr copy of the source material.

The Commodores' sixth studio album, *Natural High*, is best known for the ballad "Three Times a Lady," which became a staple of adult contemporary radio and reached number one on both the pop and R&B charts. "Three Times a Lady" was their first number one pop hit, and Lionel Richie was being recognized as a major crossover star. Not everyone liked "Three Times a Lady" some people found the song to be much too sappy, and R&B purists argued that the Commodores were watering their music down. But even if "Three Times a Lady" isn't your cup of tea, *Natural High* still has a lot to offer R&B fans. "X-Rated Movie," "Such a Woman," and "I Like What You Do" are exhilarating examples of hardcore funk, and those who appreciate artists like Heatwave and the Brothers Johnson will find a lot to admire about "Fire Girl" and "Flying High" (both of which are sleek examples of the sophisticated funk style). Meanwhile, "Say Yeah" (featuring Richie) is a first-rate R&B slow jam. .
