I believe in reserving the most romantic form of literature for only the most intense romances. Dylan was one of those.

In fourteen poems, I will walk you through the short-lived, game-changing relationship that dictated my transition into adulthood. These are memories I captured in the moment, in iPhone notes and Word documents that, looking back, told a story pretty well. It's a story of finding a friend, falling for him, then leaving him behind to chase a better future. This is losing him and missing him and trying to replace him. These are the bandages I used to cover the wounds until they finally healed. These are Poems About Dylan.
