Rat Bohemia Sarah Schulman

“More persuasively than any other contemporary novelist, Sarah Schulman traces the ways in which the disenfranchisement that begins as a political evil pervades every aspect of life, from the metaphysical and spiritual to the most intimate moments of two people together.”—Tony Kushner

“My surrender to *Rat Bohemia* is a testimonial to its gimlet-eyed accuracy, its zero-degree honesty. . . . [It blows] the traditional novel off its hinges.”—Edmund White, *The New York Times Book Review*

First published in 1995, this award-winning novel is a bold, achingly honest story set in the “rat bohemia” of New York City, whose huddled masses include gay men and lesbians abandoned by their families and forced to find new bonds with one another in the wake of this loss. Navigating the currents of the city are three friends: Rita Mae, a rat exterminator; Killer, a career plant-waterer; and David, an HIV-positive writer. Together, they seek new ways to be truthful and honest about their lives as others around them avert their glances. Alternately elegiac, defiant, and funny, *Rat Bohemia* is an expansive novel about how one can cope with loss and heal the wounds of the past by reinventing oneself in the city.

Rat Bohemia won the Ferro-Grumley Award for Lesbian Fiction and was named one of the “100 Best Gay and Lesbian Novels of All Time” by the Publishing Triangle.

Sarah Schulman is the author of eleven books, including the novel *The Child* (2006). She lives in New York.
