## Shutter Island Dennis Lehane

Nous sommes dans les années cinquante. Au large de Boston, sur un îlot nommé Shutter Island, se dresse un groupe de bâtiments à l'allure sinistre. C'est un hôpital psychiatrique dont les patients, tous gravement atteints, ont commis des meurtres.

Deux marshals arrivent, à la demande des autorités, pour enquêter sur la disparition de l'une des patientes. Comment a-t-elle pu sortir d'une celle fermée à clé de l'extérieur ? Le seul indice est une feuille de papier sur laquelle on peut lire une suite de chiffres et de lettres sans signification apparente. Au fur et à mesure que le temps passe, les deux policiers s'enfoncent dans un monde de plus en plus opaque et angoissant, jusqu'au choc final de la vérité.

Par son sens aigu du dialogue, le narrateur saura jouer avec vos nerfs et vous transportera à mille lieues de ce que vous avez imaginé.
