She holds the key to more than a fortune...

There's more to love than meets the eye...

The daughter of a wealthy merchant, Sophia Russell has no interest in marriage, especially after a recent humiliation—and especially not to Maximilian, Marquess of Devereaux. But it's the only way to save herself from fortune hunters—and those who wish to seize a powerful connection she prefers to keep secret—even from her future husband...

Marrying Sophia is the only way Max can regain the wealth his father squandered on an extravagant country palace. And while Max and his bride are civil, theirs is clearly a marriage of convenience—until a family enemy takes a questionable interest in Sophia—one that may lead all the way to the throne. Forced to become allies in a battle they hadn't foreseen, the newlyweds soon grow closer—and discover a love, and a passion, they never expected...

“Lynne Connolly writes Georgian romances with a deft touch. Her characters amuse, entertain and reach into your heart. This book is a Must Read.” --Desiree Holt

“Romantic and entertaining...plenty of erotic passion for good measure. This romance is well worth reading.”—*Library Journal*

#### **Lester Baker:**

As a scholar exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to

reach Chinese's country. Therefore this Temptation Has Green Eyes (The Emperors of London series) can make you feel more interested to read.
