The Ride II: The Novel Keara Kevay

In July of 2011, Keara Kevay debuted on the writing scene with *The Ride*, a free, erotic short story about a young woman in an abusive relationship who picks up a handsome hitchhiker. With over a half million e-downloads from all over the world, and being ranked number one on Amazon UK's romantic erotica chart for its first eighteen months in publication, the story is an ongoing phenomenal success. Fan mail usually has a common thread, "What happens next?" For all of those who have enjoyed Rose and Heath's story, but yearn to know what happens beyond their reunion, *The Ride II* is the satisfying, novel-length completion. But, be prepared—it's one hell of a ride!
