Strong family ties, diversity, caring for each other, and the need to live free--these are some of the characteristics we share with dolphins that young readers will learn about in *I Am A Dolphin And I'm A Lot Like You* Though presented by a dolphin, this nonfiction picture book does not anthropomorphize dolphins. Using simple text and artwork that is fun and realistic, the young reader can begin to make connections between dolphins and humans that may result in an interest in dolphin conservation. A portion of sales will be donated to dolphin and marine mammal conservation organizations.
