Colton Robertson left his career in the Air Force... .. to come home and help his family heal. Unfortunately, his reception was not quite what he'd hoped for and he ended up as roommate to hippy dippy yoga instructor Penelope Pruitt. Penelope has spent her life under the restrictive thumb of her parents and she doesn't want to do the same with the straight-laced, serious Colton. But when it becomes apparent that Penelope's life is in danger, Colton won't settle for anyone else protecting Penelope besides him. Opposites attract and that's definitely the case with Colton and Penelope. On the surface, they don't have anything in common, but as the sparks fly and the danger ramps up, their passion is inevitable.
