## **Soulmates with Paws, Hooves, and Wings: My Favorite Love Stories (Volume 1)** Amelia Kinkade

Amelia Kinkade, one of the world's most beloved psychics and best-selling authors, offers a breathtaking anthology of bittersweet stories exploring the wild and wonderful relationships between humans and the animals they love. In her own hilarious account of a love affair she shared with Mr. Jones, her cat, she reveals how much animals can teach us about living with joy, dying with grace, and unraveling the mysteries of the Universe. This collection of essays from all over the world highlights treasured moments as it unveils intimate relationships between humans and cats, dogs, rabbits, birds and horses. Amelia shows that a "Soulmate," one who touches our hearts, uplifts our lives, and soothes our souls doesn't have to be human to be worthy of our praise. This is a book about healing and connection, showing that love comes in many forms and that the true "masters" are the animals who selflessly teach us about happiness, self-acceptance, inner peace, playfulness, and harmony with nature and even with ourselves. The contributors include celebrated authors who offer impeccably written accounts of the great loves that have shaped their lives, even if the loved ones had paws, hooves, or wings.
