## Star Wars Force and Destiny Beta RPG

Fantasy Flight Star Wars: Force and Destiny Beta Rulebook In the Star Wars®: Force and Destiny™ roleplaying game, you and your friends assume the roles of characters who possess the rare and dangerous ability to touch and use the Force, the energy field that binds and surrounds every living thing. It is up to you whether you use this power to try and fight the forces of injustice and oppression, or if you give into the darkness and temptation within and become an agent of evil. The Force and Destiny beta is a limited edition, 256-page, softcover rulebook. Its core mechanics have already been tested extensively throughout the development of the Edge of the Empire™ and Age of Rebellion™ Core Rulebooks, as well as initial playtesting. It includes all the information on character creation, Force talents, adversaries, equipment, and vehicles that you need to run a complete campaign, and the beta comes with a complete adventure to get you started. Furthermore, because each Star Wars roleplaying installment is fully cross-compatible, the Force and Destiny beta can also serve as a supplement to your ongoing Edge of the Empire or Age of Rebellion campaigns, introducing a wealth of new playable species, careers, specializations, talents, Force powers, and opportunities for adventure. However, it is important to note that some of the elements in this beta are not representative of the final product. The beta is intended to generate useful feedback for the game's developers so that the final product will integrate the Force and Force users into the best possible roleplaying experience. Accordingly, the beta contains comparatively much less art and background material, and the information on adversaries, equipment, and vehicles has similarly been presented to ensure a more concise, focused playtest experience.

### From reader reviews:

#### Frank Hegarty:

Have you spare time for any day? What do you do when you have far more or little spare time? Sure, you can choose the suitable activity with regard to spend your time. Any person spent their very own spare time to take a move, shopping, or went to the particular Mall. How about open or even read a book called Star Wars Force and Destiny Beta RPG? Maybe it is to get best activity for you. You know beside you can spend your time with your favorite's book, you can more intelligent than before. Do you agree with its opinion or you have various other opinion?

#### Earline Shepler:

This Star Wars Force and Destiny Beta RPG book is not really ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is information inside this publication incredible fresh, you will get information which is getting deeper you actually read a lot of information you will get. This Star Wars Force and Destiny Beta RPG without we recognize teach the one who examining it become critical in pondering and analyzing. Don't be worry Star Wars Force and Destiny Beta RPG can bring when you are and not make your carrier space or bookshelves' turn into full because you can have it in your lovely laptop even mobile phone. This Star Wars Force and Destiny Beta RPG having fine arrangement in word along with layout, so you will not truly feel uninterested in reading.

#### Pam Boyd:

This Star Wars Force and Destiny Beta RPG is great reserve for you because the content which is full of information for you who also always deal with world and still have to make decision every minute. This specific book reveal it information accurately using great coordinate word or we can point out no rambling sentences included. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but challenging core information with splendid delivering sentences. Having Star Wars Force and Destiny Beta RPG in your hand like obtaining the world in your arm, data in it is not ridiculous one particular. We can say that no reserve that offer you world within ten or fifteen small right but this book already do that. So , this can be good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?

#### Sue Joseph:

As we know that book is significant thing to add our knowledge for everything. By a guide we can know everything we wish. A book is a pair of written, printed, illustrated or even blank sheet. Every year had been exactly added. This reserve Star Wars Force and Destiny Beta RPG was filled with regards to science. Spend your spare time to add your knowledge about your research competence. Some people has different feel when they reading some sort of book. If you know how big advantage of a book, you can truly feel enjoy to read a e-book. In the modern era like currently, many ways to get book which you wanted.
