For Better...

Deborah Robinson lived on a quiet street in a small town with her handsome husband and darling twins. It was the picture-perfect life---until the day Deborah's husband vanished without a trace.

Or For Worse...

Before he disappeared, Steve had been on edge. When he told her he was distracted by work, Deborah is scared. She's heard about the sadistic murders of several local women, and she can't shake the horrible feeling that the killings are somehow connected to Steve's disappearance.

Until Death Do Us Part...

Torn by guilt, tormented by suspicious, Deborah begins to delve into the shadowy secrets of her husband's past. What she finds will chill her to the bone. For Deborah no longer knows who or what her husband was. But she does know that someone is watching the Robinson house, someone who has ruthlessly killed---and is only waiting for the perfect moment to strike again...
