Tina Chen just wants a degree and a job, so her parents never have to worry about making rent again. She has no time for Blake Reynolds, the sexy billionaire who stands to inherit Cyclone Systems. But when he makes an offhand comment about what it means to be poor, she loses her cool and tells him he couldn't last a month living her life.

To her shock, Blake offers her a trade: She'll get his income, his house, his car. In exchange, he'll work her hours and send money home to her family. No expectations; no future obligations.

But before long, they're trading not just lives, but secrets, kisses, and heated nights together. *No expectations* might break Tina's heart...but Blake's secrets could ruin her life.

Trade Me is the first book in the Cyclone series.
