Two classic tales exploring the cycles that may occur or arise within the phenomenon of imposed femininity. In *Full Circle* Anthony is dressed up as a girl, Antoinette, by his big sister and her friends, one has her boyfriend seduce him. Caught in the act by his parents, he is taken under the wing of a dominant lesbian determined to 'make a man of him'. When she leaves him for a girlfriend he finds he enjoys picking up pretty young boys and taking them as his 'wife', in every way. In *Cruelly, Sweetly Controlled* Fiona takes Chris to be her assistant, first in the office, then in the home, gently but firmly guided into the role of her submissive and feminine complement; a maid, a slave but one who loves and is devoted to her. Not content with that she enslaves another man through his attraction to the mirror twins—one female and assertive, the other she-male and submissive. Then she sets up an agency to empower women like her to carry through the same process as Governesses to the sons of the rich and powerful.
