Worth Dying For: A Navy Seal's Call to a Nation Rorke Denver, Ellis Henican

In a fast-paced and action-packed narrative, Navy SEAL commander Rorke Denver tackles the questions that have emerged about America's past decade at war—from what makes a hero to why we fight and what it does to us.

Heroes are not always the guys who jump on grenades. Sometimes, they are the snipers who decide to hold their fire, the wounded operators who find fresh ways to contribute, or the wives who keep the families together back home. Even a SEAL commander—especially a SEAL commander—knows that. But what's a hero, really? What do we have a right to expect from our heroes? How should we hold them accountable? Amid all the loose talk of heroes, these questions are seldom asked.

As a SEAL commander, Rorke Denver is uniquely qualified to answer questions about what makes a hero or a leader, why men kill, how best to serve your country, how battlefield experiences can elevate us, and most importantly, why we fight and what it does for and to us. In *Worth Dying For*, Denver tackles many of these issues by sharing his personal experiences from the forefront of war today.

Denver applies some of his SEAL-sense to nine big-picture, news-driven questions of war and peace, in a way that appeals to all sides of the public conversation. By broadening the issues, sharing his insights, and achieving what civilian political leaders have been utterly unable to, Denver eloquently shares answers to America's most burning questions about war, heroism, and what it all means for America's future.

From reader reviews:

Kim McLoughlin:

What do you with regards to book? It is not important with you? Or just adding material when you need something to explain what yours problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have time? What did you do? Everyone has many questions above. The doctor has to answer that question since just their can do that. It said that about book. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this particular Worth Dying For: A Navy Seal's Call to a Nation to read.

Lillian Tobias:

Information is provisions for individuals to get better life, information nowadays can get by anyone from everywhere. The information can be a knowledge or any news even a concern. What people must be consider whenever those information which is from the former life are challenging to be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take Worth Dying For: A Navy Seal's Call to a Nation as the daily resource information.

Stephen Stovall:

Are you kind of occupied person, only have 10 or perhaps 15 minute in your moment to upgrading your mind ability or thinking skill even analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short period of time to read it because all this time you only find book that need more time to be go through. Worth Dying For: A Navy Seal's Call to a Nation can be your answer given it can be read by an individual who have those short spare time problems.

James Ritchey:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library as well as to make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their passion. They just do what the teacher want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Worth Dying For: A Navy Seal's Call to a Nation can make you sense more interested to read.
