Children touch our hearts without even trying. They bring magic and laughter into the lives of adults and help us to remember what it was like to look at the world through the eyes of a child. Sometimes they makes us laugh, or cry, and they test our patience but children bring sunshine into our days. These collection of quotes is sometimes serious, sometimes light and funny but every one is a quote that is meant to touch our hearts and all about the children we share this world with. Use the book as a daily inspirational boost, or just to focus in on a positive thought and read through it one sitting. Enjoy an uplifting and inspiring quote every day for the next year or give it as a gift to your loved ones. This book makes a great gift for new parents, grandparents, teachers, or anyone who loves children. This is the 10th book in the 365 Days of Happiness collection, but it is the first with full color photos inside the pages.
